as computed after the application of the credits that under IC 6-3.1-1-2 are to be applied before the credit provided by this chapter.

Sec. 11. The pilot life long learning tax credit program is established to encourage life long learning practices by eligible employees. The department shall administer the program.

Sec. 12. (a) An eligible employee that makes an employee contribution to an account is eligible for a credit in a taxable year against the employee's state tax liability in the taxable year.

(b) The amount of the credit is equal to the least of the following:

- (1) The employee contribution made by an eligible employee to the account in the taxable year.
- (2) Five hundred dollars (\$500).
- (3) The amount of the credits allocated by the department to the eligible employee for the taxable year.

Sec. 13. (a) A participating employer that makes an employer matching contribution to an account is eligible for a credit in a taxable year against the participating employer's state tax liability in the taxable year.

(b) The amount of the credit is equal to the amount determined under STEP THREE of the following formula:

STEP ONE: Determine the lesser of the following for each account:

- (A) The participating employer contribution made to the account of an eligible employee in the taxable year.
- (B) Five hundred dollars (\$500).

STEP TWO: Determine the sum of the STEP ONE amounts.

STEP THREE: Determine the lesser of the following:

- (A) The STEP TWO amount.
- (B) The amount of the credit allocated by the department to the participating employer for the taxable year.

Sec. 14. (a) If:

- (1) a pass through entity does not have state income tax liability against which the credit provided by this chapter may be applied; and
 - (2) the pass through entity would be eligible for a credit under this chapter if the pass through entity were a taxpayer;
- a shareholder, partner, or member of the pass through entity is entitled to a credit under this chapter.

(b) Subject to this chapter, the amount of the credit to which a shareholder, partner, or member is entitled is equal to:

- (1) the credit determined for the pass through entity for the taxable year as if the pass through entity were a taxpayer with state tax liability in the amount of the credit; multiplied by
- (2) the percentage of the pass through entity's distributive income to which the shareholder or partner is entitled.

Sec. 15. (a) If the amount of the credit provided under this chapter for a taxpayer in a taxable year exceeds the taxpayer's state tax liability for that taxable year, the taxpayer may carry the excess over to subsequent taxable years until the entire credit is

**C
O
P

used. The amount of the credit carryover from a taxable year shall be reduced to the extent that the carryover is used by the taxpayer to obtain a credit under this chapter for any subsequent taxable year.

(b) A taxpayer is not entitled to a carryback or refund of any unused credit.

Sec. 16. To receive the credit, a taxpayer must claim the credit on the taxpayer's annual state tax return or returns in the manner prescribed by the department of state revenue. The taxpayer shall submit to the department of state revenue the information that the department of state revenue determines is necessary for the department of state revenue to determine whether the taxpayer is eligible for the credit.

Sec. 17. To qualify as a life long learning plan under this chapter, the plan must meet all of the following criteria:

(1) Be in writing.

(2) Cover at least all full-time employees of the participating employer and, if the participating employer elects to cover part-time employees under the plan, all part-time employees.

(3) Provide for the establishment of an account for each eligible employee to which:

(A) an eligible employee makes contributions for the payment of eligible education expenses; and

(B) the participating employer makes matching contributions on a dollar for dollar basis for the purpose of paying eligible education expenses.

However, the plan may limit the maximum amount that the participating employer must match. The limitation must uniformly apply to all full-time employees of the employer. If the participating employer elects to have part-time employees participate in the plan, the participating employer may impose a different uniform limitation for part-time employees.

(4) Subject to section 18 of this chapter, provide that the account may be used only to pay eligible education expenses incurred by or on behalf of an eligible employee for education selected at the sole discretion of the eligible employee.

(5) Provide that the availability of the plan does not reduce or substitute for any other education program provided by the participating employer, including the provision, by a participating employer, of courses of instruction for the participating employer's eligible employees (including books,

**C
o
p

supplies, and equipment).

(6) Provide procedures for dissemination of information about the plan, including the federal and state income tax consequences of the plan.

(7) Provide for reporting to the department of state revenue of the information prescribed by the department of state revenue.

(8) Provide procedures for the allocation of credits certified by the department for the participating employer's eligible employees among the participating employer's eligible employees.

Sec. 18. (a) To qualify as a life long learning account under this chapter, the account must meet all the following criteria:

(1) Be established and administered in accordance with a plan.

(2) Subject to this section, be used only to pay eligible education expenses incurred by or on behalf of an eligible employee for education selected at the sole discretion of the eligible employee.

(3) Be held by a trustee or fiduciary, including the treasurer of state, approved by the department.

(b) Money in an account that is contributed by an eligible employee is held in trust for the eligible employee. An eligible employee may withdraw the eligible employee's contribution to the account at any time for any purpose. However, if the amount is not withdrawn to:

(1) pay eligible education expenses; or

(2) transfer the money in the manner prescribed by the department of state revenue to the account of another participating employer;

the individual forfeits any tax benefit that the individual received under this chapter for the amount withdrawn. The department of state revenue shall prescribe a method for recovery of the tax benefit in the taxable year in which the event causing the forfeiture of the tax benefit occurs.

(c) An account may consist of gifts to an account in addition to contributions by an eligible employee or a participating employer. However, a gift to an account may be used only to pay eligible education expenses.

(d) Transfer of an unused employer contribution as an employer contribution to another account does not result in forfeiture of a

C
o

1 tax benefit received under this chapter. However, the employer is
2 not eligible for an additional credit for the amount transferred.

3 **Sec. 19.** A taxpayer that receives a credit for a contribution to
4 an account is not entitled to a separate deduction for an eligible
5 education expense in the taxable year that the eligible education
6 expense is paid from the account. If the taxpayer deducted the
7 eligible education expense in computing for federal income tax
8 purposes:

9 (1) federal adjusted gross income in the case of an individual;
10 or

11 (2) in the case of taxpayers other than an individual:

12 (A) federal taxable income (as defined in Section 63 of the
13 Internal Revenue Code) in the case of corporations;

14 (B) federal life insurance company taxable income (as
15 defined in Section 801 of the Internal Revenue Code) in the
16 case of life insurance companies (as defined in Section
17 816(a) of the Internal Revenue Code) that are organized
18 under Indiana law;

19 (C) federal taxable income (as defined in Section 832 of the
20 Internal Revenue Code) in the case of insurance companies
21 subject to tax under Section 831 of the Internal Revenue
22 Code and organized under Indiana law; or

23 (D) federal taxable income (as defined for trusts and
24 estates in Section 641(b) of the Internal Revenue Code) in
25 the case of trusts and estates;

26 the taxpayer shall add the amount of the deduction back in
27 determining state adjusted gross income under IC 6-3-1-3.5 and
28 IC 6-5.5-1-2.

29 **Sec. 20.** The department shall establish a program to provide
30 information to participating employers and eligible employees
31 about the life long learning tax credit program established by this
32 chapter.

33 **Sec. 21. (a)** The department shall establish a program to certify
34 participating employer and eligible employee contributions to an
35 account as eligible for a credit. The program must provide that the
36 participating employer applies for the credits on behalf of the
37 participating employer and the participating employer's eligible
38 employees. The program may permit an application to be made
39 that covers more than one (1) taxable year.

40 (b) The total amount of credits approved in a state fiscal year
41 may not exceed the amount transferred in the state fiscal year from
42 the skills 2016 training fund to the state general fund under

C
o
p
y

IC 5-28-27-3(b)(1), less any administrative fees retained by the department under subsection (e). Qualifying applicants for a credit that apply to the department in the manner and in the form prescribed by the department shall be certified for a credit in the amount that the applicant estimates will be contributed to the accounts of eligible employees by lottery conducted by the department until the maximum amount of credits allowed under this section for a state fiscal year has been allocated among qualifying applicants. The certification may cover more than one (1) taxable year and need not match the state fiscal year of the transfer from the skills 2016 training fund to the year the credit is taken. However, the department may provide a procedure for an applicant that is denied a tax credit solely as a result of the cap imposed by this subsection to be given priority in the award of a credit in a subsequent state fiscal year. An award of the credit must indicate the part of the award that is for participating employer contributions and the part of the award that is available to eligible employees for eligible employee contributions.

(c) The certification of a credit under this section applies only to contributions made after the date of the certification.

(d) If the credits allocated to a participating employer or an eligible employee are not used as provided in the certification, the department may reallocate the unused credits to another qualified applicant in the order determined by the department.

(e) The department may retain from the amount transferred in a state fiscal year from the skills 2016 training fund to the state general fund under IC 5-28-27-3(b)(1) an administrative allowance to reimburse the department for administering the pilot life long learning tax credit program.

Sec. 22. (a) The department shall provide for a study of the pilot life long learning tax credit program established by this chapter. The evaluation must include a fiscal analysis of the program, including an assessment of the effectiveness of the provisions of this chapter to:

- (1) retain jobs;
- (2) increase income; and
- (3) increase the tax base.

The study must measure the extent to which life long learning practices are increased. The analysis may include a review of the practices and experiences of other states or political subdivisions with laws similar to this chapter.

(b) The department shall require employers applying for a

**C
o
p
y**

1 credit under this chapter to provide the information that the
2 department determines is necessary to carry out the study required
3 by this section.

4 (c) The department shall report to the legislative council, not
5 later than November 1 of each year in an electronic format under
6 IC 5-14-6, on the progress of its study.

7 Sec. 23. Subject to the approval of the budget agency, the
8 department may receive and accept gifts and other donations from
9 any public or private source in its administration of the program.

expenditure in any manner which would permit their substitution for
 (or a corresponding reduction in) federal funds which would in the
 absence of said money be available to finance expenditures for the
 administration of this article, but nothing in this section shall prevent
 said money from being used as a revolving fund to cover expenditures
 necessary and proper under the law for which federal funds have been
 duly requested but not yet received, subject to the charging of such
 expenditures against such funds when received. The money in this fund
 shall be used by the board for the payment of refunds of interest on
 delinquent contributions and penalties so collected, for the payment of
 costs of administration which are found not to have been properly and
 validly chargeable against federal grants or other funds received for or
 in the employment and training services administration fund, on and
 after July 1, 1945. Such money shall be available either to satisfy the
 obligations incurred by the board directly, or by transfer by the board
 of the required amount from the special employment and training
 services fund to the employment and training services administration
 fund. No expenditure of this fund shall be made unless and until the
 board finds that no other funds are available or can properly be used to
 finance such expenditures, except that expenditures from said fund may
 be made for the purpose of acquiring lands and buildings or for the
 erection of buildings on lands so acquired which are deemed necessary
 by the board for the proper administration of this article. The board
 shall order the transfer of such funds or the payment of any such
 obligation or expenditure and such funds shall be paid by the treasurer
 of state on requisition drawn by the board directing the auditor of state
 to issue the auditor's warrant therefor. Any such warrant shall be drawn
 by the state auditor based upon vouchers certified by the board or the
 commissioner. The money in this fund is hereby specifically made
 available to replace within a reasonable time any money received by
 this state pursuant to 42 U.S.C. 502, as amended, which, because of
 any action or contingency, has been lost or has been expended for
 purposes other than or in amounts in excess of those approved by the
 bureau of employment security. The money in this fund shall be
 continuously available to the board for expenditures in accordance with
 the provisions of this section and shall not lapse at any time or be
 transferred to any other fund, except as provided in this article. Nothing
 in this section shall be construed to limit, alter, or amend the liability
 of the state assumed and created by IC 22-4-28, or to change the
 procedure prescribed in IC 22-4-28 for the satisfaction of such liability,
 except to the extent that such liability may be satisfied by and out of the
 funds of such special employment and training services fund created

C

1 by this section.

2 (b) The board, subject to the approval of the budget agency and
 3 governor, is authorized and empowered to use all or any part of the
 4 funds in the special employment and training services fund for the
 5 purpose of acquiring suitable office space for the department by way
 6 of purchase, lease, contract, or in any part thereof to purchase land and
 7 erect thereon such buildings as the board determines necessary or to
 8 assist in financing the construction of any building erected by the state
 9 or any of its agencies wherein available space will be provided for the
 10 department under lease or contract between the department and the
 11 state or such other agency. The commissioner may transfer from the
 12 employment and training services administration fund to the special
 13 employment and training services fund amounts not exceeding funds
 14 specifically available to the commissioner for that purpose equivalent
 15 to the fair, reasonable rental value of any land and buildings acquired
 16 for its use until such time as the full amount of the purchase price of
 17 such land and buildings and such cost of repair and maintenance
 18 thereof as was expended from the special employment and training
 19 services fund has been returned to such fund.

20 (c) The board may also transfer from the employment and training
 21 services administration fund to the special employment and training
 22 services fund amounts not exceeding funds specifically available to the
 23 commissioner for that purpose equivalent to the fair, reasonable rental
 24 value of space used by the department in any building erected by the
 25 state or any of its agencies until such time as the department's
 26 proportionate amount of the purchase price of such building and the
 27 department's proportionate amount of such cost of repair and
 28 maintenance thereof as was expended from the special employment and
 29 training services fund has been returned to such fund.

30 (d) Whenever the balance in the special employment and training
 31 services fund is deemed excessive by the board, the board shall order
 32 payment into the unemployment insurance benefit fund of the amount
 33 of the special employment and training services fund deemed to be
 34 excessive.

35 (e) Subject to the approval of the board, the commissioner may use
 36 not more than five million dollars (\$5,000,000) during a program year
 37 for training provided by the state educational institution established
 38 under IC 20-12-61 to participants in joint labor and management
 39 apprenticeship programs approved by the United States Department of
 40 Labor's Bureau of Apprenticeship Training. Of the money allocated for
 41 training programs under this subsection, fifty percent (50%) is
 42 designated for industrial programs, and the remaining fifty (50%)

**C
o
p
y**

percent is designated for building trade programs.

(f) The commissioner shall allocate an amount not to exceed four hundred fifty thousand dollars (\$450,000) annually for training and counseling assistance under IC 22-4-14-2 provided by state educational institutions (as defined in IC 20-12-0.5-1) or counseling provided by the department of workforce development for individuals who:

(1) have been unemployed for at least four (4) weeks;

(2) are not otherwise eligible for training and counseling assistance under any other program; and

(3) are not participating in programs that duplicate those programs described in subsection (e).

Training or counseling provided under IC 22-4-14-2 does not excuse the claimant from complying with the requirements of IC 22-4-14-3. Eligibility for training and counseling assistance under this subsection shall not be determined until after the fourth week of eligibility for unemployment training compensation benefits. The training and counseling assistance programs funded by this subsection must be approved by the United States Department of Labor's Bureau of Apprenticeship Training.

SECTION 7. IC 22-4-32-19 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 19. (a) At any time within four (4) years after the date upon which any contributions, skills 2016 training assessments under IC 22-4-10.5-3, or interest thereon were paid, an employing unit which has paid such contributions, skills 2016 training assessments, or interest thereon may make application for a refund of such contributions, skills 2016 training assessments, or an adjustment thereon in connection with subsequent contribution payments or skills 2016 training assessments. The commissioner shall thereupon determine whether or not such contribution or skills 2016 training assessment, or interest or any portion thereof was erroneously paid or wrongfully assessed and notify the employing unit in writing of its decision.

(b) Such decision shall constitute the initial determination referred to in section 4 of this chapter and shall be subject to hearing and review as provided in sections 1 through 15 of this chapter.

(c) The commissioner may grant such application in whole or in part and may allow the employing unit to make an adjustment thereof without interest in connection with subsequent contribution payments or skills 2016 training assessments. Mr. Speaker: Your Committee on Commerce, Economic Development and Small Business, to which was referred Senate Bill 536, has had the same under consideration and begs leave to report the same back to the House with the recommendation that said bill be amended as follows:

Page 2, between lines 38 and 39, begin a new paragraph and insert:

"SECTION 2. IC 6-3.1-29 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2005]:

Chapter 29. Life Long Learning Tax Credit

Sec. 1. As used in this chapter, "account" refers to an account that qualifies as a life long learning account under this chapter.

Sec. 2. As used in this chapter, "credit" refers to a life long learning tax credit granted under this chapter against state tax liability.

Sec. 3. As used in this chapter, "department" refers to the department of workforce development.

Sec. 4. As used in this chapter, "eligible education expense" means a payment for education, including tuition and fees and similar payments, books, supplies, equipment, and tools or supplies that may be retained by the employee after completion of a course of instruction, other than the following:

- (1) Meals, lodging, or transportation.**
- (2) Any course or other education involving sports, games, or hobbies.**

Sec. 5. As used in this chapter, "eligible employee" means the following:

- (2) A part-time employee of a participating employer, if the part-time employee has the part-time employee's principal place of business with the participating employer in Indiana and the participating employer elects in the participating employer's application to the department under this chapter to include part-time employees in the participating employer's plan.**

Sec. 6. As used in this chapter, "full-time employee" means an individual who:

- (1) is employed for consideration for at least thirty-five (35) hours each week or who renders any other standard of service generally accepted by custom or specified by contract as full-time employment; and**

y**

(2) has the individual's principal place of employment in Indiana with a participating employer.

Sec. 7. As used in this chapter, "participating employer" means a corporation, person, or pass through entity that:

- (1) employs at least one (1) eligible employee; and
- (2) is selected under this chapter to participate in a pilot life long learning tax credit program under this chapter.

Sec. 8. As used in this chapter, "pass through entity" means a:

- (1) corporation that is exempt from the adjusted gross income tax under IC 6-3-2-2.8(2);
- (2) partnership;
- (3) trust;
- (4) limited liability company; or
- (5) limited liability partnership.

Sec. 9. As used in this chapter, "plan" refers to a life long learning plan that provides for the payment of eligible education expenses through an account.

Sec. 10. As used in this chapter, "state tax liability" means a taxpayer's total tax liability that is incurred under:

- (1) IC 6-3-1 through IC 6-3-7 (the adjusted gross income tax);
- (2) IC 27-1-18-2 (the insurance premiums tax); and
- (3) IC 6-5.5 (the financial institutions tax);

as computed after the application of the credits that under IC 6-3.1-1-2 are to be applied before the credit provided by this chapter.

Sec. 11. The pilot life long learning tax credit program is established to encourage life long learning practices by eligible employees. The department shall administer the program.

Sec. 12. (a) An eligible employee that makes an employee contribution to an account is eligible for a credit in a taxable year against the employee's state tax liability in the taxable year.

(b) The amount of the credit is equal to the least of the following:

- (1) The employee contribution made by an eligible employee to the account in the taxable year.
- (2) Five hundred dollars (\$500).
- (3) The amount of the credits allocated by the department to the eligible employee for the taxable year.

Sec. 13. (a) A participating employer that makes an employer matching contribution to an account is eligible for a credit in a taxable year against the participating employer's state tax liability in the taxable year.

**C
O
P
Y**

(b) The amount of the credit is equal to the amount determined under STEP THREE of the following formula:

STEP ONE: Determine the lesser of the following for each account:

(A) The participating employer contribution made to the account of an eligible employee in the taxable year.

(B) Five hundred dollars (\$500).

STEP TWO: Determine the sum of the STEP ONE amounts.

STEP THREE: Determine the lesser of the following:

(A) The STEP TWO amount.

(B) The amount of the credit allocated by the department to the participating employer for the taxable year.

Sec. 14. (a) If:

(1) a pass through entity does not have state income tax liability against which the credit provided by this chapter may be applied; and

(2) the pass through entity would be eligible for a credit under this chapter if the pass through entity were a taxpayer;
a shareholder, partner, or member of the pass through entity is entitled to a credit under this chapter.

(b) Subject to this chapter, the amount of the credit to which a shareholder, partner, or member is entitled is equal to:

(1) the credit determined for the pass through entity for the taxable year as if the pass through entity were a taxpayer with state tax liability in the amount of the credit; multiplied by

(2) the percentage of the pass through entity's distributive income to which the shareholder or partner is entitled.

Sec. 15. (a) If the amount of the credit provided under this chapter for a taxpayer in a taxable year exceeds the taxpayer's state tax liability for that taxable year, the taxpayer may carry the excess over to subsequent taxable years until the entire credit is used. The amount of the credit carryover from a taxable year shall be reduced to the extent that the carryover is used by the taxpayer to obtain a credit under this chapter for any subsequent taxable year.

(b) A taxpayer is not entitled to a carryback or refund of any unused credit.

Sec. 16. To receive the credit, a taxpayer must claim the credit on the taxpayer's annual state tax return or returns in the manner prescribed by the department of state revenue. The taxpayer shall submit to the department of state revenue the information that the department of state revenue determines is necessary for the

**C
o
p
y**

department of state revenue to determine whether the taxpayer is eligible for the credit.

Sec. 17. To qualify as a life long learning plan under this chapter, the plan must meet all of the following criteria:

- (1) Be in writing.
- (2) Cover at least all full-time employees of the participating employer and, if the participating employer elects to cover part-time employees under the plan, all part-time employees.
- (3) Provide for the establishment of an account for each eligible employee to which:
 - (A) an eligible employee makes contributions for the payment of eligible education expenses; and
 - (B) the participating employer makes matching contributions on a dollar for dollar basis for the purpose of paying eligible education expenses.

However, the plan may limit the maximum amount that the participating employer must match. The limitation must uniformly apply to all full-time employees of the employer. If the participating employer elects to have part-time employees participate in the plan, the participating employer may impose a different uniform limitation for part-time employees.

(4) Subject to section 18 of this chapter, provide that the account may be used only to pay eligible education expenses incurred by or on behalf of an eligible employee for education selected at the sole discretion of the eligible employee.

(5) Provide that the availability of the plan does not reduce or substitute for any other education program provided by the participating employer, including the provision, by a participating employer, of courses of instruction for the participating employer's eligible employees (including books, supplies, and equipment).

(6) Provide procedures for dissemination of information about the plan, including the federal and state income tax consequences of the plan.

(7) Provide for reporting to the department of state revenue of the information prescribed by the department of state revenue.

(8) Provide procedures for the allocation of credits certified by the department for the participating employer's eligible employees among the participating employer's eligible employees.

**C
O
P
Y**

(9) Be certified by the department as a plan.

Sec. 18. (a) To qualify as a life long learning account under this chapter, the account must meet all the following criteria:

(1) Be established and administered in accordance with a plan.

(2) Subject to this section, be used only to pay eligible education expenses incurred by or on behalf of an eligible employee for education selected at the sole discretion of the eligible employee.

(3) Be held by a trustee or fiduciary, including the treasurer of state, approved by the department.

(b) Money in an account that is contributed by an eligible employee is held in trust for the eligible employee. An eligible employee may withdraw the eligible employee's contribution to the account at any time for any purpose. However, if the amount is not withdrawn to:

(1) pay eligible education expenses; or

(2) transfer the money in the manner prescribed by the department of state revenue to the account of another participating employer;

the individual forfeits any tax benefit that the individual received under this chapter for the amount withdrawn. The department of state revenue shall prescribe a method for recovery of the tax benefit in the taxable year in which the event causing the forfeiture of the tax benefit occurs.

(c) An account may consist of gifts to an account in addition to contributions by an eligible employee or a participating employer. However, a gift to an account may be used only to pay eligible education expenses.

(d) Transfer of an unused employer contribution as an employer contribution to another account does not result in forfeiture of a tax benefit received under this chapter. However, the employer is not eligible for an additional credit for the amount transferred.

Sec. 19. A taxpayer that receives a credit for a contribution to an account is not entitled to a separate deduction for an eligible education expense in the taxable year that the eligible education expense is paid from the account. If the taxpayer deducted the eligible education expense in computing for federal income tax purposes:

(1) federal adjusted gross income in the case of an individual; or

(2) in the case of taxpayers other than an individual:

**C
o
p
y**

(A) federal taxable income (as defined in Section 63 of the Internal Revenue Code) in the case of corporations;

(B) federal life insurance company taxable income (as defined in Section 801 of the Internal Revenue Code) in the case of life insurance companies (as defined in Section 816(a) of the Internal Revenue Code) that are organized under Indiana law;

(C) federal taxable income (as defined in Section 832 of the Internal Revenue Code) in the case of insurance companies subject to tax under Section 831 of the Internal Revenue Code and organized under Indiana law; or

(D) federal taxable income (as defined for trusts and estates in Section 641(b) of the Internal Revenue Code) in the case of trusts and estates;

the taxpayer shall add the amount of the deduction back in determining state adjusted gross income under IC 6-3-1-3.5 and IC 6-5.5-1-2.

Sec. 20. The department shall establish a program to provide information to participating employers and eligible employees about the life long learning tax credit program established by this chapter.

Sec. 21. (a) The department shall establish a program to certify participating employer and eligible employee contributions to an account as eligible for a credit. The program must provide that the participating employer applies for the credits on behalf of the participating employer and the participating employer's eligible employees. The program may permit an application to be made that covers more than one (1) taxable year.

(b) The total amount of credits approved in a state fiscal year may not exceed the amount transferred in the state fiscal year from the skills 2016 training fund to the state general fund under IC 22-4-24.5-1(c), less any administrative fees retained by the department under subsection (e). Qualifying applicants for a credit that apply to the department in the manner and in the form prescribed by the department shall be certified for a credit in the amount that the applicant estimates will be contributed to the accounts of eligible employees by lottery conducted by the department until the maximum amount of credits allowed under this section for a state fiscal year has been allocated among qualifying applicants. The certification may cover more than one (1) taxable year and need not match the state fiscal year of the transfer from the skills 2016 training fund to the year the credit is

**C
O
P

taken. However, the department may provide a procedure for an applicant that is denied a tax credit solely as a result of the cap imposed by this subsection to be given priority in the award of a credit in a subsequent state fiscal year. An award of the credit must indicate the part of the award that is for participating employer contributions and the part of the award that is available to eligible employees for eligible employee contributions.

(c) The certification of a credit under this section applies only to contributions made after the date of the certification.

(d) If the credits allocated to a participating employer or an eligible employee are not used as provided in the certification, the department may reallocate the unused credits to another qualified applicant in the order determined by the department.

(e) The department may retain from the amount transferred in a state fiscal year from the skills 2016 training fund to the state general fund under IC 22-4-24.5-1(c) an administrative allowance to reimburse the department for administering the pilot life long learning tax credit program.

Sec. 22. (a) The department shall provide for a study of the pilot life long learning tax credit program established by this chapter. The evaluation must include a fiscal analysis of the program, including an assessment of the effectiveness of the provisions of this chapter to:

- (1) retain jobs;
- (2) increase income; and
- (3) increase the tax base.

The study must measure the extent to which life long learning practices are increased. The analysis may include a review of the practices and experiences of other states or political subdivisions with laws similar to this chapter.

(b) The department shall require employers applying for a credit under this chapter to provide the information that the department determines is necessary to carry out the study required by this section.

(c) The department shall report to the legislative council, not later than November 1 of each year in an electronic format under IC 5-14-6, on the progress of its study.

Sec. 23. Subject to the approval of the budget agency, the department may receive and accept gifts and other donations from any public or private source in its administration of the program."
